

MUMME TOOLS

Made Tough Since 1936

NORMALISED DEMOLITION HAMMER - HI-VIS

FEATURES

- Perfect for demolition work, breaking through drywall and masonry walls
- Also used for dislodging items and breaking up concrete
- Head is forged then normalised for a softer face (be low 20HRC) that will mushroom, for applications where risk of chipping needs to be minimised
- Hammer heads are pinned through the steel core of the fibreglass handle for added safety
- Hi-Vis yellow handle for increased visibility
- Includes tether hole for working at heights
