

MUMME TOOLS

Made Tough Since 1936

BOLSTER & CHISEL 4-PIECE SET

**1 GRIP
4 TOOLS**

FEATURES

Brick Bolster:

- ✎ Cutting edge creates a cleaner cut that doesn't damage bricks
- ✎ Strong, heat treated blade

Cold Chisel:

- ✎ Used for cutting high tensile steels, welds and hard materials
- ✎ Blades are ground to 60° for optimal cutting

Concrete Spike:

- ✎ Hardened and tempered blade
- ✎ Forged from high carbon spring steel for a harder blade with great resilience

Electrician's Bolster:

- ✎ Cutting edge creates a cleaner cut that doesn't damage bricks
- ✎ Strong, heat treated blade

Interchangeable Grip:

- ✎ Ergonomically designed for comfortable and extended use
- ✎ Shock-absorbent grip helps reduce the impact and vibrations transmitted to the hands during tool use
- ✎ Made from durable material, suitable for tough conditions
